WHILE YOU'RE HERE

Our picnic area is located right across Route 1. This area was built by the Civilian Conservation Corp from 1935-1940 and features ocean views, picnic sites, and a short trail along the edge of the shore. The coast is steep and rocky, and very scenic.

OWL'S HEAD LIGHTHOUSE

Follow the signs from Rockland on Route 73 and visit Birch Point Beach while you're there for a sand beach, picnic tables and a great view of the Maine coast.

TRASH

A dumpster is located on the left between sites 102 and 103. Please don't burn any trash or paper products as the air quality is seriously affected by odors generated. Campsites are cleaned frequently, ashes from the fireplace that contain glass, metals, and plastics can't be easily disposed of. Burning trash just isn't environmentally acceptable.

PETS

Pets *must* be leashed at *all* times. Pet owners choosing not to comply with park leash laws will be asked to leave the park . Pet owners must immediately clean up any fecal deposits left by their pets. Pets must not be left unattended. Help ensure that pets will always be welcome at Maine State Parks by respecting these reasonable requests.

GENERATORS

Electrical generators may be operated between the hours of 9:00 am and 7:00 pm as long as they do not become an annoyance to nearby camping parties.

QUIET HOURS

Quiet is required between the hours of 10:00 pm and 7:00 am.

FIREWOOD

Firewood is available at the campground contact station daily until 10:00 pm (May 15~October 15). Firewood may be gathered in the park provided the wood is *down and dead*. Chainsaws are not permitted.

CHECKING OUT

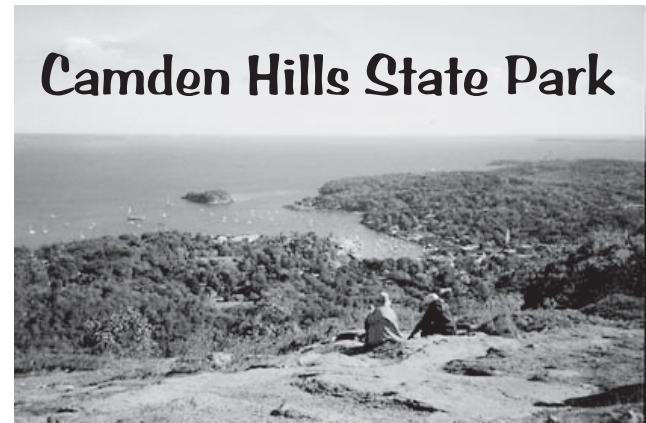

Please take a few minutes to check your campsite for litter prior to leaving. Check-out time is 11:00 am.

WEATHER FORECASTS

Up-to-date weather forecasts are available at the contact station from May through September.

HAVE A GREAT VISIT!

We hope you enjoy your stay and return again soon. If you have any comments, please let the manager know at:
